	Industry Linkage	To understand new developments and needs of the industry a linkage is built up by conducting National Seminars, Workshops etc which are addressed by leading industrial professionals. Regular guest lectures are also organised to understand, focus and emphasise on various developments and needs of the industry. Regularly placement agencies are visiting the Institute. They provide insight into latest developments in the industry. The elective subjects are our choice for which University has given freedom and we select such subjects as elective based on feedback received from professionals.
